Room info:

We offer 6 funky private ensuite cabins, 3 suites, 1 dorm, 4 pre-pitched tents and a big campsite. All our rooms are named after famous/influential artists, their songs you will definitely hear back in the bar. Check out our website www.mozambeatmotel.com for photo's.

Our **private ensuite cabins** feature a beautiful open-air bathroom with rain showerhead. All private cabins are appointed with air conditioning, ceiling fan, extra length double mattress (2mtr), mosquito netting, towels, toiletries and a private terrace with chairs and an hammock.

The 3 **suites** are located nicely under a big cashew tree with lots of shade and not too close to the bar, for those that enjoy the silence ;-). This is a brick and thatched roof house, big sliding door, private ensuite (indoor) bathroom with rain shower. All suites are appointed with ceiling fan, extra length double mattress (2mtr), mosquito netting, towels and toiletries.

The **dorm** is where it is at offering you the perfect opportunity to meet that travel companion for a dive or surf together. Our funky dorm cabin "Kool & The Gang" is a shared mixed dorm with 5 bunkbeds. It has lockers, ceiling fans, extra length mattresses, mosquito netting and an ensuite bathroom. It's a bit 'more luxurious' compared to other backpackers here in town.

Enjoy the luxury of not having to wrestle with tent poles and flysheets: next to our veggie garden we have 4 **pre-pitched tents**. The pre-pitched tent is a simple safari tent from 3x3 mtrs, with a double bed, mosquito netting, towels, electricity plug and a light in it. This is the perfect type of accommodation for a couple that's travelling low-budget. There is an outdoor shower, but you can also decide to shower in one of our ablution blocks.

For those of you who just love the outdoors and carry your home on top of your car, we have a **campsite** just for you. It's a big piece of land with the shades of palmtrees. It features power plugs, lights, entrance for car (4x4) and an ablution block. Please note Mozambeat Motel does not offer any more self-catering facilities than our braai area. Obviously, you can make use of all the lodge facilities.

The bar & restaurant:

We have a well stocked bar and an awesome fully catered restaurant that dishes up the best burgers in Tofo, great seafood, and a range of local and western specialties with a healthy twist. For all the vegetarians & even vegans; don't worry, lots of options for you as well! Check out our latest food, drinks & cocktail menu on our website www.mozambeatmotel.com.

We have a serious aquabliss pool with poolbar and loungers - and if that isn't enough, our chill out lounge has incredible sunset views where we organize every Tuesday pokernight while watching a sport event on DSTV. Every Wednesday our Moonlight cinema presents the newest blockbuster, with food specials and happy hours all night long. Watch the newest movies from a comfy art deco sofa while enjoying the free popcorn!

If you are looking for *absolute silence*, we might not be your best option...

We've got a lively bar with now and then a party (mostly on Fridays).

Check out our website and stay tuned about our events by following us on Facebook & Instagram.
