

↓ How to get to here from Johannesburg ↓

A lot of our guests fly to Johannesburg, which is an airport hub for Southern Africa, so there is a lot of choice for flights.

OWN TRANSPORT:

In Mozambique driving is on the left hand side. For tips & tricks check our website under 'getting here' or the Facebook page 'DriveMoz'.

It is possible to rent a car in South Africa (no 4WD needed, but can be beneficial). When renting a car from SA to Mozambique, you need to make sure you are allowed to cross the border with your rental car. At the border post you need to obtain a third party insurance (approx. R280 per vehicle for 30 days). This you can arrange at the Global Alliance office at your left hand side once you are at the Ressano Garcia border.

The main roads in South Africa and Mozambique are good, but be prepared — driving from Johannesburg (about 1000 kilometers) will take at least two days. Also, you might want to visit Swaziland or the Kruger Park in between.

Drive to Nelspruit and cross the border at Komatipoort (5 hours from Jo'burg) the border is called Ressano Garcia and in low-season open from 06:00 AM and in high-season 24 hrs per day. There will be a lot of guys running around and trying to offer — do not use them! *You will get fake stamps and car papers!* Do not feel intimidated, just ignore them and do it yourself: it's very easy! Always check the stamps in your passport on correct dates.

From Maputo, follow the signs to Xai-Xai, and from there simply go further northwards, until you reach the turning for Inhambane (approximately 8 hours drive). Entering Inhambane, follow the signs for 'Praia da Tofo' and 'Mozambeat Motel'.

When you arrive in Tofo (approximately 20 minutes scenic drive), look for the signs for Mozambeat Motel.

4 + 4'S — Where the road sharply turns to the left (there is a local bar on the corner, called Black & White, and a clothing shops on your right hand side), take the sandroad uphill. After about 150 meters, where the road forks, follow it to the right, drive past our neighbouring guesthouse Turtle Cove and then take the first left to finally arrive at your beloved Mozambeat Motel.

2WD — Go past the junction described above for 4+4'S, and take the 2nd right (which almost rises from the main tar road just after the quarry) up to the top of the hill and then turn right. Follow the road roughly 500m, parallel to the sea, and take the 2ND right turn onto Rua des Amandoas. Follow this road all the way to the end (up and down another bumpy hill) and take a right at the facing T-junction. From this road, take a left when it forks by neighbouring guesthouse Turtle Cove and then take the first left to finally arrive at your beloved Mozambeat Motel.

If you are planning on arriving later than 22:00 PM please inform us so we can leave the roomkey with our security.

PUBLIC TRANSPORT:

You should count at least 2 days for this trip. First you have to get from Johannesburg to Maputo and the next day you will continue. To get in Maputo you can take the Intercape, CityBug, Cheetah Express, City to City or Greyhound bus. Once in Maputo check out our website under 'getting here' from Maputo — Tofo.

Once (low-season) or twice (high-season) per week TOURS TO MOZ and AFRIMOZ TOURS do direct bus transfers from Johannesburg Airport to Tofo. This is a really comfy bus with a reliable driver. You can buy your bus ticket online, find the link on our website under 'getting here'.

If you come with a shuttle from Maputo or Johannesburg, ask the driver to drop you off at Black & White restaurant just before Tofo village. You can either stretch your legs and walk from there (250 mtr to Mozambeats) or you can call us and we will fetch you.

BY PLANE:

Fly from Johannesburg to Inhambane with LAM. Unfortunately there are no direct flights anymore, so all flights from Jo'burg to Inhambane are via Maputo and/or Vilanculos. We provide an airport pick-up from Inhambane airport to Mozambeat Motel for 1.000 mts — just let us know your flight details in advance.
