

↓ HOW TO GET TO HERE FROM VILANCULOS ↓

OWN TRANSPORT:

In Mozambique driving is on the left hand side. For tips & tricks check out the Facebook page 'DriveMoz'. Make sure you have got cash Meticaís with you to pay at the toll gates, keep the slip for the next toll gate.

From Vilanculos you drive back to the high-way in Southern direction: Maxixe. After Maxixe you go to Inhambane. Entering Inhambane follow the signs for 'Praia da Tofo' and 'Mozambeat Motel'.

When you arrive in Tofo (approximately 20 minutes scenic drive), look for the signs for Mozambeat Motel.

4x4 car: Where the road sharply turns to the left (there is a local bar on the corner, called Black & White, and a clothing shops on your right hand side), take the sandroad uphill. After about 150 meters, where the road forks, follow it to the right, drive past our neighbouring guesthouse Turtle Cove and then take the first left to finally arrive at your beloved Mozambeat Motel.

2wd - Go past the junction described above for 4x4's, and take the 2nd right (which almost rises from the main tar road just after the quarry) up to the top of the hill and then turn right. Follow the road roughly 500m, parallel to the sea, and take the 2nd right turn onto Rua des Amandoas. Follow this road all the way to the end (up and down another bumpy hill) and take a right at the facing T-junction. From this road, take a left when it forks by neighbouring guesthouse Turtle Cove and then take the first left to finally arrive at your beloved Mozambeat Motel.

There are signs of Mozambeat Motel everywhere in & around Tofo, but in case you get lost please call us: +258 845000383 or +258 844223515

If you are planning on arriving later than 23:00 PM please inform us so we can leave the roomkeys with our security.
